- Increased
- Decreased
- Stayed about the same

Select your answer below

**a** **b** **c** 

### Correct!

*That's right*

*The number of young people aged 11-15 who drink alcohol has been falling for the last ten years*

Your score is 1/10 

### Question Four

We asked young people in the survey how they would describe a typical teenager who does not drink alcohol

Which do you think were the three most popular words used?

- sociable, confident, independent
- hard-working, anti-social, careful
- boring, antisocial, sensible

**a** **b** **c** 

### Correct!

You picked the right answer  
The three most popular words were sociable, confident and independent.  
Click on Lucy's picture to hear her explain

*The image of non-drinkers is that they are sociable, confident and independent. Most people don't need alcohol to have fun, and I am a really confident and independent person, who knows my own mind*

Your score is 4/10 

### Question Seven

Jade said she did not plan to drink when she went to the party.  
What did some people say had happened to them after drinking alcohol when they had not planned to?

- Someone took an embarrassing photo of them
- They had too much to drink and were very ill
- They ended up doing something they regretted

**a** **b** **c** 

### Correct!

That's right. There were a number of other risks and harms reported by young people who had ended up drinking when they did not intend to.  
Click on Kieran's picture to hear him explain

*I did not plan to drink before I went there. I had not had anything to eat and I was sick. I did not think about getting home safely or think about what would happen.*

Your score is 7/10 

### CONGRATULATIONS

You have reached the end of the quiz

Your score is 10/10

You have excellent alcohol knowledge
